## GRASMERE LAKESHORE WALK

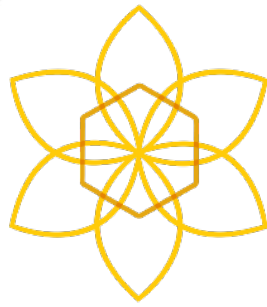

**DURATION | 1 HOUR 15 MINUTES**

Turn right out of The Daffodil Hotel Car Park and head along the main road on this side, following the lake shore for about 12 minutes until the pavement ends (*look out for Canada goose, cormorant, goosander and tufted ducks*).

At this point, turn down to the right through the wood (*look out for red squirrel, goldfinch, nuthatch, tree-creeper and wren*) then along the duckboards to reach the footbridge over the river (*look out for dipper and grey wagtail*) at the foot of the lake.

Cross the bridge and continue right along the shoreline path (*look out for great-crested grebe, heron and long-tailed tit*).

When the path turns away from the shore, follow it up a short steep pull to the lane above and then turn right to follow this down to the village (*look out for red squirrel and roe deer*).

It is easy to find your way back to The Daffodil Hotel from Grasmere village, just turn right outside the church (*look for red squirrel, blue tit, chaffinch, great tit, greenfinch, jackdaw and song thrush in the churchyard*) and continue along stock lane to the mini roundabout near the hotel.
